ezSearch

Google-like search to help you find federal contracts...

ezSearch contains procurement data as well as additional NASA data (for example, financial assistance actions).

FPDS-NG Scheduled Maintenance

FPDS-NG will be unavailable Saturday March 29, 2014 from approximately 10:00am - 8:00pm EST due to system maintenance.

NIA - Hurricane Sandy

A new National Interest Action value 'Hurricane Sandy 2013' has been added to the FPDS-NG Production system.
For Web Portal users the value 'Hurricane Sandy 2013' is available for selection in the National Interest Action field drop down. The Contract Writing systems shall use the code 'H13' when creating/updating documents through Business Services.
National Interest Action value 'Hurricane Sandy 2013' is valid from 10/28/2012 to 12/17/2013.

FY 2012 Small Business Goaling Report

FY 2012 Small Business Goaling Report is now available on the 'Reports' page of FPDS-NG.
Click here for the report.
The Small Business Goaling Report is a department level report that displays Small Business data for a specified date range by Funding/Contracting Agency.

Inherently Governmental Functions

FPDS-NG shall mandate on all actions with a Product or Service Code as a 'Service' and that are signed on or later than 03/01/2012 to indicate whether they are 'Closely Associated', 'Critical Functions', 'Other Functions' or a combination of 'Closely Associated' and 'Critical Functions' in the 'Description of Requirements'.
Read more...

Section 1331 of the Small Business Jobs Act of 2010

FPDS-NG will be modified to implement the Section 15 of the Small Business Act (15 U.S.C. 644), as amended by the 'Jobs Act 2010'. This allows a different set aside on orders placed against multiple award contracts for small business concerns.
Two new values will be added to the data element 'Fair Opportunity/Limited Sources' on a Delivery Order/Task Order (DO/TO) to a Multiple Award DV (FSS, GWAC or Multiple Award DC), a Part 8 BPA and

NIA - Oklahoma Tornado and Storm 2013

A new National Interest Action value 'Oklahoma Tornado and Storm 2013' has been added to track the relief contracts.
For Web Portal users the value 'Oklahoma Tornado and Storm 2013' is available for selection in the National Interest Action field dropdown. The Contract Writing systems using V1.4 shall use the code 'T130' when creating/updating documents through Business Services.
National Interest Action value 'Oklahoma Tornado and Storm 2013' is valid from 05/20/2013 to 11/19/2013.
Contracts reported against 'Oklahoma Tornado and Storm 2013' will be available in National Interest Action report Thursday 5/23/2013.

Introduction

Acquisition.gov is an E-Gov Initiative that aggregates federal acquisition content by providing one website for regulations, systems, resources, opportunities, and training.

This website was designed to create an easily navigable resource to share the efforts to achieve its vision of more efficient and transparent practices through better use of information, people, processes and technology.

System for Award Management (SAM)

The System for Award Management (SAM) is the official U.S. government system that consolidates the capabilities of CCRFA/Reg, ORCA and EPLS. There is NO fee to register for SAM. If you used any of the previous systems, you should now go to www.sam.gov to update your information. SAM training tools and quick-start guides are available on both the SAM and Federal Service Desk websites, located at www.sam.gov and www.fsd.gov.

PLEASE NOTE: If you are requesting entity registration information from the System for Award Management (SAM) under the Freedom of Information Act (FOIA), you need to go to SAM.gov > Data Access > Public Extracts and select the Legacy CCR Extracts Public ("FOIA") Data Package. It is updated on the 15th of every month.

Supporting Government to Embody Entrepreneurs
The Federal Office of Small and Disadvantaged Business Utilization Directors Interagency Council

WELCOME

Welcome to the Federal Office of Small and Disadvantaged Business Utilization Directors Interagency Council ("OSDBU Council") website. The OSDBU Council is an informal organization of Federal small business program officials that comes together monthly to exchange and discuss information on acquisition methods, issues and strategies; small business program initiatives and processes; and small business related outreach events that permit their respective agencies to increase their utilization of small businesses as prime and subcontractors to meet their annual requirements for services and goods.

The OSDBU Council is led by the Directors of the Federal OSDBUs who individually work closely with the Office of Federal Procurement Policy, U. S. Small Business Administration, and Heads of Contracting for each agency along with stakeholders in the implementation and execution of the Federal small business contracting programs.

The OSDBU Council host monthly meetings and each agency rotates the responsible of hosting each meeting. If you need to reach an OSDBU member, our [members page](#) provides contact information for each of them.

GOVERNMENT CONTRACTING CLASSROOM

Government contracts can offer significant opportunities for small businesses, but selling to the government requires a very different approach than selling to the commercial sector. SBA has created a series of free online contracting courses designed to help prospective and existing small businesses understand the basics about contracting with governmental agencies. So whether you're just getting started or looking for ways to compete more successfully in the government contracting marketplace, check out the courses below.

Government Contracting Classroom

Did you know the federal government buys nearly \$100 billion worth of goods and services from small businesses each year?

Government contracts can offer significant opportunities for small businesses, but selling to the government requires a very different approach than selling to the commercial sector.

SBA has created a series of free online contracting courses designed to help prospective and existing small businesses understand the basics about contracting with government agencies. Whether you are just getting started or looking for ways to compete in the government contracting marketplace, the courses below are for you.

About the Courses

These self-paced courses include audio and take about 30 minutes to complete. You can exit a course at any time. Before entering a course, you may be prompted to complete a registration form, which includes a few short questions and takes less than a minute.
