

# Program Benefits

*Grow your business with new skills!*

Successfully operating a business requires vision, determination and the willingness to learn new skills.

We can help you achieve your dream of growth with business courses that will increase your confidence and business smarts. A key goal of the program is to help small businesses successfully compete for federal, state and local contracting opportunities as a prime or subcontractor.

The SBA's 7(j) Management and Technical Assistance Program is authorized by the Small Business Act to provide high-quality assistance to eligible small businesses.

## Program Eligibility

- Small businesses that are owned and controlled by economically and socially disadvantaged individuals;
- Small businesses located in areas of high unemployment or low income;
- Small business owned by low income individuals; and
- Certified 8(a) participant, HUBZone small business, and/or economically disadvantaged women-owned small business

You can find information on local assistance available in your area by visiting [SBA's website](#).
