Let's Reverse it Market Research Forums

2nd Thursday from 1pm – 4pm

This virtual event affords small businesses fifteen (15) minutes to present capabilities. Be sure to identify any past or present requirements that align with your core competencies.

Some forums will identify upcoming requirements to help gauge interest and make capability assessments to promote particular small business set-asides. In these instances, contracting personnel, as well as Mission Partners (requirement owners), will plan to attend your session to help create a fruitful experience. Emerging and non-traditional small businesses are urged to participate.

Register at AFDW.SB.Workflow@us.af.mil with the event name in the subject line. Include your preferred month to meet. Your actual date and time slot will be emailed to you along with access information once your registration is completed.

*Facilitated via MS Teams. Dates and times are subject to change. Monitor www.sam.gov for any changes prior to the event date.
