# “Let’s Reverse It Market Research Meetings”

This is a virtual platform that affords businesses one-on-ones for at least thirty (30) minutes. Benchmarking capabilities, past performance, and other matters are discussed while business representatives learn how AFDW does business. Ideally, participants should also identify any past, present, or upcoming AFDW requirements that align with their core competencies.

\*Email [AFDW.SB.Workflow@us.af.mil](mailto:AFDW.SB.Workflow@us.af.mil) and provide any pertinent background information regarding your inquiry. Meetings conducted via MS Teams.
