

Holiday Fire Safety

A festive holiday scene featuring a Christmas tree on the right, decorated with lights and ornaments. In the center, a white fireplace mantel holds several wrapped gifts and a lantern. The floor is covered with more wrapped gifts, some with red ribbons, and a string of colorful lights. The background wall has a dark, patterned wallpaper.

- 1. Never leave burning candles unattended.*
- 2. Make sure candles are on stable surfaces.*
- 3. Don't burn candles near trees or other holiday decorations.*
- 4. Replace strings of lights with worn or broken cords.*
- 5. Turn off all decorative lights before leaving home or going to bed.*
- 6. Don't burn trees, wreaths or wrapping paper in the fireplace.*
- 7. Check and clean the chimney and fireplace once per year.*
- 8. Test yoursnoke alarms.*
